

**MRS. ROOSEVELT ACTS
AS AID TO SANTA**

The annual Christmas party for the children of Cove Neck School, near Oyster Bay, made famous for twenty-five years by the success with which the late President Roosevelt played the role of Santa Claus, took place yesterday afternoon with the senior Mrs. Roosevelt

distributing the gifts. The selections were based on the customary letters which the children wrote during the last two weeks. After the distribution of presents, Dr. Richard Derby spoke, and the children gave a series of folk dances under the direction of Miss Ella G. Stewart, who has been principal of the school for several years. Thirty-eight children participated in the ceremony. Scores of parents and friends attended.

BORN IN PRISON CELL.

WHEELING, W. Va., Dec. 18.—A ten-pound boy, the first child to be born in the Ohio County Jail in twenty years, is a guest at the prison to-day. The parents, Mr. and Mrs. Antonio Saratoris, are being held without bond in connection with the killing of James Augustus.

The selection presents a choice of as many as twenty-seven shades, among which are clear, beautiful tones of red, green, wood brown, taupe, mulberry, orange and other colors of decorative value.

Here is another splendid instance of what our cash purchasing power saves for our customers. A leading manufacturer of fine velour closed out this stock to us at concessions which are reflected in our selling prices. This opportune offering should enable many to include new draperies and upholsteries in their New Year's plans, whether they are buying for the clubs, hotels and other larger buildings or for the more limited requirements of the private home.
